

Figure 1: Plan view of the kitchen layout. The diagram shows four sections labeled A, B, C, and D. Section A is a 3,000mm wide unit with a 2,500mm high wall and a 400mm high countertop. It includes a sink (洗面ロッカー) and a 2-seater (2段) unit. Section B is a 4,000mm wide unit with a 2,500mm high wall and a 400mm high countertop. It includes a sink (洗面ロッカー), a 2-seater (2段) unit, and a 2-seater (2段) unit. Section C is a 3,000mm wide unit with a 2,500mm high wall and a 400mm high countertop. It includes a sink (洗面ロッカー) and a 2-seater (2段) unit. Section D is a 4,000mm wide unit with a 2,500mm high wall and a 400mm high countertop. It includes a sink (洗面ロッカー), a 2-seater (2段) unit, and a 2-seater (2段) unit. The diagram also shows the placement of the refrigerator (冷蔵庫), the oven (オーブン), and the microwave (電子レンジ). The overall dimensions are 2,500mm in height and 4,000mm in width.

Figure 1: Plan view of the building layout. The plan shows a long rectangular building divided into four sections labeled A, B, C, and D. Section A is 3,000 mm wide and 2,500 mm high. Section B is 4,000 mm wide and 2,500 mm high. Section C is 3,000 mm wide and 2,500 mm high. Section D is 4,000 mm wide and 2,500 mm high. The building is divided into four sections by vertical lines labeled 7, B, 7, and B. Section A contains a staircase and a room. Section B contains a staircase and a room. Section C contains a staircase and a room. Section D contains a staircase and a room. The plan also shows various dimensions and labels for the building components, including 'ライニング: LGS50形下地、ポストフォーム t=26' and '鏡 (機械設備工事)'.
